**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was able to obtain reliable service through Sonic DSL, using AT&T copper lines, but otherwise using Sonic infrastructure. Whereas, with AT&T, I was paying the same or more, and for service that would regularly cut out several times a month.

I want more competition, and I want ISPs to be regulated under Title 2 as common carriers. The state of ISPs in America is a disgrace compared to the rest of the world.
